

BASIC SYSTEM

Truly, a starter system for those on a budget. This system features a fast processor, ample storage and memory. Standard with a network interface, this computer is ready to go on-line with high-speed Internet from Shaw, Telus, Xplornet, or ABC Wireless. One year parts and labour warranty - supported by a local certified technician. We include all the setup of your software - all latest updates and drivers, and we even move data from your old PC onto your new one **AT NO EXTRA COST!** Unlike the Big Box stores who 'sell' you a setup package and fees for transferring data from an old PC.
